Please keep in mind that full-text access requires a subscription.

As you are aware, the peer review process would not be able to function without the efforts of our anonymous reviewers. We would greatly appreciate it if you could log onto your author page and update your author preferences and profile. In particular, if you could mark yourself as a reviewer and insert your reviewer interests in the "Update my Demographics" section we will be better able to match you with appropriate submissions in need of review. You may access your author page by clicking on this link - [https://urldefense.us/v3/__http://prism.optica.org/Author__;!!G2kpM7uM-TzIFchu!y-urTVIW7R7GA86_ZeP-Uc09N9xCdQHfHoQfB-Efs_XaL6bvK3H5VFRqGUeb6XQBAYUjWRBTX2pQ91E\\$](https://urldefense.us/v3/__http://prism.optica.org/Author__;!!G2kpM7uM-TzIFchu!y-urTVIW7R7GA86_ZeP-Uc09N9xCdQHfHoQfB-Efs_XaL6bvK3H5VFRqGUeb6XQBAYUjWRBTX2pQ91E$)

You may also sign up to receive a citation alert any time your article is cited by another journal article. Simply click the "Alert me when this article is cited" link in the Article Tools box on the web page for your article. You will need to sign up for or log into your account to confirm the alert.

Thank you for your contribution to the journal. We hope you will consider Optics Letters again for your future publishing needs.

Sincerely,
OL Production Office
